Prayer of Thanks

Dear God, thank you that You make all things new. Thank you for all that You've allowed into our lives this past year, the good along with the hard things, which have reminded us how much we need You and rely on Your presence filling us every single day. We pray for Your Spirit to lead us each step of this New Year. We ask that You will guide our decisions and turn our hearts to deeply desire You above all else. We ask that You would help us release our grip on the things to which You have said 'No', 'Not yet,' or 'Wait.' We ask for help to pursue You first, above every dream and desire You have put within our hearts.
